/ksc

Dear Mr. and Mrs,

With reference to e-mail October 10<sup>th</sup> 2018 from the Danish Espoo point of contact with a consultation letter in accordance with article 4 and 5 of the Convention on Environmental Impact Assessment in a Transboundary Context for the Nord Stream 2 gas pipeline – northwestern route in Denmark, the Danish Energy Agency hereby forwards the EIA documentation mentioned in the letter on the enclosed memory stick (USB).

Best regards

Katja Scharmman
