In reference to your notification about the proposed offshore wind farm in Øresund

Environment State Bureau (hereinafter – the Bureau), acting as a competent authority on environmental impact assessment in Latvia, would like to thank Environmental Protection Agency of Denmark for notification (dated on 18 October 2019, HETER/MST-533-00140) regarding initiation of environmental impact assessment for the intended activity – offshore wind farm (Aflandshage) in Øresund (hereinafter – the Project).

The Bureau acknowledges receipt of the notification with reference to the Convention on Environmental Impact Assessment in a Transboundary Context. We hereby inform that Latvia does not intend to take part in the transboundary consultation process as an affected party.

Yours sincerely,

Indra Kramzaka
