State Environmental Service
of the Republic of Latvia

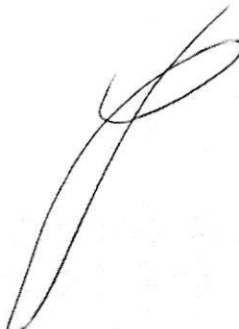

On the provision of the EIA report

BelRAO State Enterprise according to the requirements of the Convention on environmental impact assessment in a transboundary context is sending the EIA report on the object "Construction of a radioactive waste disposal and temporary storage facility" in Russian and English.

Besides, we are sending a summary of the EIA report in Latvian.

- Enclosure:
1. A soft copy of the EIA report in Russian.
 2. A soft copy of the EIA report in English.
 3. A soft copy of a summary of the EIA report in Latvian.

Director

M.A. Kisel
